

UnitedHealthcareOnline.com Will Be Retired Soon

We've been working over the past few years to make Link self-service tools easier for you to use. Soon, almost all UnitedHealthcareOnline.com tools and transactions will be available on Link so you don't need to go back and forth between our sites. *As part of this change, we'll retire the UnitedHealthcare Online app and UnitedHealthcareOnline.com in July.

If you're currently using UnitedHealthcareOnline.com, here's what you need to know about this change.

Using Link

Link self-service tools are the best way to do business with us – faster and more efficient than calling or faxing. To use Link, go to UHCprovider.com and click on the Link button in the top right corner. Once you sign in, the apps you need are right on your Link dashboard.

Update Your Bookmarks Now

Your UnitedHealthcareOnline.com bookmarks will continue working for the next few weeks. However, once UnitedHealthcareOnline.com retires, bookmarks will redirect to the UHCprovider.com home page rather than a specific page. We suggest you create new bookmarks now so you can easily get where you need to go.

Learn More

To learn more about Link, go to UHCprovider.com/Link. If you need help, call the UnitedHealthcare Connectivity Helpdesk at **866-842-3278**, option 1, from 8 a.m. to 10 p.m. Eastern Time, Monday through Friday.

*The Patient Personal Health Record is being retired and won't be available on Link.
